

REFERENCE

To whom it may concern

Company *Kreuzmayr Manufacturing GmbH*, located to *Wallern, Austria* confirms that we have known *Stabilengeneering-Alfa Ltd.*, city of *Plovdiv, Bulgaria* for 1 year and a half and we have worked seamlessly with this company.

The company *Stabilengeneering-Alfa Ltd.* has developed and manufactured for us a ***Vacuum evaporating module with processing vessel with working volume 1500 L.***

We confirm that during the period of developing and making the facility the company have provided an excellent communication and support in the areas of engineering, developing and analysis of the product. The construction of the facility was carried out with quality and on time.

We were so pleased with the work that *Stabilengeneering-Alfa Ltd.* did for us.

The Bulgarian company was truly there for the entire process and remains so. Any problem or issue that has arisen, the company has done everything in its power to make right. The engineers in that company were extremely hard-working and tenacious negotiators.

Furthermore, the company developed the design documentation in accordance with the regulations and standards for products intended for food production. The made the product meet the requirements of the assignment.

We can confidently recommend *Stabilengeneering-Alfa Ltd* as a solid and reliable supplier, loyal to its clients and experts in its field.

I have had the great pleasure of knowing this company.

I'm happy to provide further information if required.

Date: 17.05.2016

Yours faithfully
